

Freight Train

Elizabeth Cotten | early 20th century

d

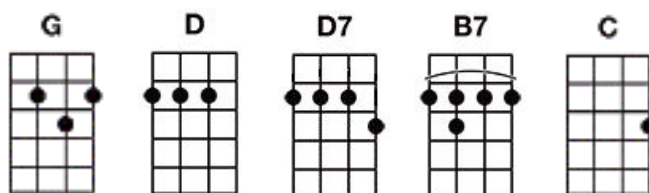

(G) Freight train, freight train (D) run so fast
(D7) Freight train, freight train (G) run so fast
(B7) Please don't tell what (C) train I'm on
They (G) won't know what (D7) route I've (G) gone

(G) When I'm dead and (D) in my grave
(D7) No more good times (G) here I'll crave
(B7) Place the stones at my (C) head and feet
And (G) tell them all that (D7) I've gone to (G) sleep

(G) Freight train, freight train (D) run so fast
(D7) Freight train, freight train (G) run so fast
(B7) Please don't tell what (C) train I'm on
They (G) won't know what (D7) route I've (G) gone

(G) When I die, Lord, (D) bury me deep
(D7) Way down on old (G) Chestnut Street
(B7) Then I can hear old (C) Number Nine
As (G) she comes (D7) rolling (G) by

(G) Freight train, freight train (D) run so fast
(D7) Freight train, freight train (G) run so fast
(B7) Please don't tell what (C) train I'm on
So they (G) won't know what (D7) route I've (G) gone
